Are you ready for me?  
Yeah? I Thought So

No, Nothing will stop it  
You can waste your time  
Yeah you feel desire  
You made up your mind

Feel it, Taste the victory  
Feel it, Burning  
Burning inside of me

Right Now (Hey)  
I will be your champion  
This is where we belong  
Making it happen, now (Hey)  
Nothing will stop us  
Won't pull us under  
It's gonna start  
Right Now

There is no end to this, no  
As far as I can see  
And we will not falter (will not falter)  
Yeah, we can share the dream

Feel it, Taste the victory  
Feel it, Burning  
Burning inside of me

Right Now (Hey)  
I will be your champion  
This is where we belong  
Making it happen, now (Hey)  
Nothing will stop us  
Won't pull us under  
It's gonna start  
Right Now

Here we go (Who, Who said that) [x3]  
Here we go

You wanna do this?

Right Now (Hey)  
I will be your champion  
This is where we belong  
Making it happen, now (Hey)  
Nothing will stop us  
Won't pull us under  
It's gonna start

Right Now (Hey)  
I will be your champion  
This is where we belong  
Making it happen, now (Hey)  
Nothing will stop us  
Won't pull us under  
It's gonna start  
It's gonna start  
Right Now
