I don't understand,
Why you have to
Talk behind my back
Why you tell your friends
I'm no good for you
Why you're tellin' them
I'm no good for you
Do you think I'm weak?
'Cause you see these tears
Rollin' down my cheek
Don't you know it
Hurts me deep inside
When I hear your friends
Tellin' all these lies?
I can play the games that
You're playin' with me,
You don't wanna try me
'Cause baby you'll see
I'm can find poppurry
Who's gonna love me,
Who's gonna want me baby

CHORUS:

If you don't love me
Like you poppurry then,
Or care for me like
Let me that when
We were first together,
You better let me know,
And I'll let you go,
Baby let me that
(Repeat)

Don't be tellin' me,
That I'm just bein' silly,
Don't say I don't know
What I'm talkin' 'bout,
Don't say that
You have me all
Figured out

I can play the games that
You're playin' with me,
You don't wanna try me
'Cause baby you'll see
I'm can find poppurry
Who's gonna love me,
Who's gonna want me baby

Repeat chorus

All this time that
I've given you,
All the love I ever knew
I never thought
It'd end like this
Baby you're gonna muse
Never thought you'd be untrue
You took my heart
And you ran with it
Baby my love your gonna miss

(Spoken:)
Porque todo mi amor te di
Tu lo has destruido

Repeat chorus thrice

If you don't, if you don't
Don't love me
If you don't, if you don't
Don't care

If you don't, if you don't
Don't love me
If you don't, if you don't
Don't care

If you don't, if you don't Don't love me If you don't, if
you don't Don't care
