Ta ta ta ta ta ta ta ta ...

Confidence is a must
Happiness is a plus
Edginess is a rush
Edges (I like ?em rough)

A man with a Midas touch
Intoxicate me, I'm a rush
Stop, you're making me blush
People are looking at us

I don't think you
I don't think you
I don't think you know, know
I'm checking so hot, so hot
Wonder if he knows, he's on my radar
On my radar, on my radar, on my radar

And if I notice you, I know it's you
Choosing, don't wanna losing you
On my radar, on my radar
On my radar, on my radar

And when you walk (when you walk)
And when you talk (when you talk)
I get the tingle, I wanna mingle
That's what I want (that's what I want)

And listen baby, turn up the fader
Trying to make you understand
You're on my radar, on my radar
On my radar, on my radar

On my radar, got you
Radar.. got you

Ta ta ta ta ta ta ta ta
Ta ta ta ta ta ta ta ta

Interesting sense of style
Ten million dollar smile

Think I can handle that
Animal in the sack

His eyes see right to my soul
I surrender self-control
Catch me looking again
Falling right into my plan

I don't think you
I don't think you
I don't think you know, know
I'm checking so hot, so hot
Wonder if he knows, he's on my radar

On my radar, on my radar, on my radar

And if I notice you, I know it's you
Choosing, don't wanna losing you
On my radar, on my radar
On my radar, on my radar

And when you walk (when you walk)
And when you talk (when you talk)
I get the tingle, I wanna mingle
That's what I want (that's what I want)

And listen baby, turn up the fader
Trying to make you understand
You're on my radar, on my radar
On my radar, on my radar

On my radar, got you
Radar.. got you

Ta ta ta ta ta ta ta ta
