Red is the color of my love
Dark as the night
Hot as the sun
Like a cloud that's full of rain
Like a melody that plays
(Repeat)
I'm wide awake, wide awake
And still I dream about you
Finally, I find my place
And all this mess-mess-me-me-mess you made
I live for you baby
I die for you
Just let me know
I'm bleeding for you
Red is the color of my love
Dark as the night
Hot as the sun
Like a cloud that's full of rain
Like a melody that plays

Fast asleep
I'm pass the point of no return with you now
So come to me
Your secrets over, love it's over
Still I, Still I
I live for you baby
I die for you
Just let me know
I'm bleeding for you
Red is the color of my love
Dark as the night
Hot as the sun
Like a cloud that's full of rain
Like a melody that plays

I pray for you, my heart it prays for you, yeah
Shake me down slow
Lock me up and let me go
Feel me, I (bleed?) to feel me
I'll be, I'll be loving you
Even if it kills me
I live for you baby
I die for you
Just let me know
I'm bleeding for you
Red is the color of my love
Dark as the night
Hot as the sun
Like a cloud that's full of rain
Like a melody that plays
Red is the color of my love
Dark as the night
Hot as the sun
Like a cloud that's full of rain
Like a melody that plays
