All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby, yeah

All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby, yeah

All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby, yeah

Needed a fight as an excuse
To get away from me, you've missed use
Sit there make me like guilty
You were leaving any wake-up with me
You have a career I can tell
I train you men so well
No more boosting your egos
Your mom's smoking what the hell knows

All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby, yeah

All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby, yeah

No more chains that you gave me
Enough of pain that I'm craving
Something sweet, so delight
How can you men stand sleeping at night?
It's the laid pattern I follow
I saw my momma being swallowed
By the one who she loved
He pulled her down, cuz' he seen she was up
Manipulation was his key
He screwed it in, cuz' she was naive
We're not perfect, we must say
But now I've got to runaway

All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby, yeah

All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby, yeah

All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby, yeah

All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby, yeah

All that she wants is another baby, yeah
