Rock
Rock

Rockin' headspace
I'm trippin' out
This is my place
What you're about?

If you come over we can fly away
Together, let's go

Take me down and then let me in
Spin me all around
I feel so dizzy, I fall into you
You rock me, you rock me, you rock me in
(You rock me)

Can ya hold me tight and don't let go?
Take me in your arms and bring me closer
Oh, I want you
You rock me, you rock me, you rock me in
(You rock me)

If you want to, we can race
I'm super fast now, you wanna chase?
I can fake it because you're mine
Double time now, so get in line

If you come over we can fly away
Together, let's go

Take me down and then let me in
Spin me all around
I feel so dizzy, I fall into you
You rock me, you rock me, you rock me in
(You rock me)

Can ya hold me tight, yeah, don't let go?
Take me in your arms and bring me closer
Oh, I want you
You rock me, you rock me, you rock me in
(You rock me)

Rock me in, you rock me in

My world is spinnin' round you
Don't wanna let you down
I'm lost when you're around me
Take me so far away from here

Look how I'm spinnin' round you
Don't wanna let you down
I'm lost and can't be found now
Take me down, take me down

If you come over we can fly away
Together, let's go

Take me down and then let me in
Spin me all around
I feel so dizzy, I fall into you
You rock me, you rock me, you rock me in
(You rock me)

Can ya hold me tight, yeah, don't let go?
Take me in your arms and bring me closer
Oh, I want you
You rock me, you rock me, you rock me in
(You rock me)

Rock me in
You rock me in
Rock me in
You rock me in
Rock me in
You rock me in
