"Rock Star"

Put your ass on your shoulders and you wonder why
nobody ever really wanna get down and hang with you
Cause you only hang around fake people that barely
even know you
kiss your ass and love to agree with you
You should take a look around when you're down by
yourself
Alone and you'll see who's standing there next to you
No one will buy you up and change your number every
time
you were blind, but you're fine, nobody gave a damn
but you

So where did you get that game
You don't even know my name
So who do you think you are
You a wanna be a rock star
so get off of your own thrown
Maybe you'll be alone
By the time you hear this song
You a wanna be a rock star

chorus
xo no love not gonna give you
xo a love i never knew-oooh
xo no i-i never loved you
xo my love i'm not gonna give you
xo a love I never knew-oooh
xo no i-i never loved you

you arrive every minute of the day of the second of the
hour
You try to come back but is way too late
How does it feel all alone on the throne
And the crowd is gone and you're holding on
So I saw you at the bar
with your head up high but your so down low
Is funny cause you don't even know

it's sad when people they can't even recognize
Don't have a clue
you a wanna be a rockstar

chorus

xo no love not gonna give you
xo a love i never knew-oooh
xo no i-i never loved you
xo my love i'm not gonna give you
xo a love I never knew-oooh
xo no i-i never loved you

I hate to break it to you
But I'm not thinking bout you
You so wrapped up in your voice
For your noise don't know go ask all your boys then
You talk so much but so what
please wont you shut yourself up
so all my girls scream and shout
If you got an xo give em one stop

chorus

xo no love not gonna give you
xo a love i never knew-oooh
xo no i-i never loved you
xo my love i'm not gonna give you
xo a love I never knew-oooh
xo no i-i never loved you
