Put your ass on your shoulders and you ain't nobody
Nobody really wanted get down and hang with you
Cause you only hand around fake people that barely
know you
Love to kiss your ass and have to agree with you
Take a look around when you are down by yourself
And you will see who is standing next to you
No one buy you up and change your number every time
You were blind nobody gave a damn but you

Chorus

So why do you play that game
You don't even know my name
So who do you think you are
You wanna be a rock star
Get up on your own pro
.. be alone
By the time you hear this song
You're gonna be a rock star

Say my love not gonna give you
Say .. got to milk you
Say I never loved you
Say my love not gonna give you
Say .. got to milk you
Say I never loved you

Say say
Xo xo xo

.. every minute of the day of the second of the hour
You try to come back but is way too late
How does it feel all alone on the throne
And the crowd is gone and you are holding on
So I saw you at the .. with your head back with your
shoulders down low
Is funny cause you don't even know
So more people they can't even recognize
Don't have a clue

Chorus

Say my love not gonna give you
Say .. got to milk you
Say I never loved you
Say my love not gonna give you
Say .. got to milk you
Say I never loved you

Say say
I hate to break it to you
But I am not thinking about you
You are so wrapped up in your voice
For your noise don't go ask on your boys .. been
You talk so much but so what
They just want you shut yourself up
All my girl scream and shout
If you got an xo give them â€¦

Say my love not gonna give you
Say .. got to milk you
Say I never loved you
Say my love not gonna give you
Say .. got to milk you
Say I never loved you
