See you out tonight,
Smiling and talking.
We can be polite,
When we know they're watching
but i want you like that
(Yeah i want you like that, Yeah i want you , Yeah i want
you, yeah i want you like that)

oh oh
Say you're just a friend, I'm a little liar
When we play pretend, party is on fire.
Cuz i like it like that
(Yeah i like it like that, Yeah i like it , Yeah i like it, yeah i
like it like that)

Pull me closer, Don't be shy.
Cross my heart, and Hope to die
Keep a secret, Me and You
And Seal it with a kiss (oh oohh oooohhh oooohh)

In the shadows where it's hot
You're the risk of getting caught
Wanna taste forbidden fruit
And seal it with a kiss (oh oohh oooohhh oooohh)

oh oh
When you look at me, there is no mistakin'
Like telepathy, i know what you're thinking
That you want me like that
(yeah you want me like that, yeah you want me, yeah
you want me, yeah you want me like that)

Ultraviolet light, burning hot like you do.
Can we synchronize, meet me in the backroom
Cuz i like it like that

(Yeah I like it like that, Yeah I like it , Yeah I like it, yeah i
like it like that,)

Pull me closer, Don't be shy.
Cross my heart and, Hope to die
Keep a secret, Me and You

And Seal it with a kiss (oh oohh oooohhh oooohh)

In the shadows where it's hot
You're the risk of getting caught
Wanna taste forbidden fruit
And seal it with a kiss (oh oohh oooohhh oooohh)

BREAKDOWN

(oh oohh oooohhh oooohh)
(oh oohh oooohhh oooohh)

Say you're just a friend
I'm a little liar

Pull me closer, Don't be shy.
Cross my heart and, Hope to die
Keep a secret, Me and You
And Seal it with a kiss (oh oohh oooohhh oooohh)

In the shadows where it's hot
You're the risk of getting caught
Wanna taste forbidden fruit
And seal it with a kiss (oh oohh oooohhh oooohh)
