oh baby, baby,
have you seen amy tonight,
is she in tha bathroom?
is she smoking up out side?
oh,
oh baby, baby,
does she take a piece of lime,
for the drink that ima buy her,
do you know just what she likes?
oh, oh,
tell me have you seen her cos im,
so, oh,
i cant get her off of my brain,
i just wanna go to tha party she gon go,
cant some body take me home,
haha, hehe, haha, ho,

CHORUS

love me, hate me,
say what you want about me,
but all of the boys and all of the girls,
are beggin to if you seek amy.
love me, hate me,
but can't you see what i see,
but all of the boys and all of the girls,
are beggin to if you seek amy.

amy told me that shes gonna meet me up,
i dunno where or when,
but now their closing up the club,
ive seen her once or twice before,
she knows may face,
but its hard to see,
with all the people standing in the way,

oh, oh,
tell me have you seen her cos im,
so, oh,
i cant get her off of my brain,
i just wanna go to tha party she gon go,
cant some body take me home,
haha, hehe, haha, ho,

CHORUS

ohh say what u want a bout me,
ohh but cant u see what i see,
ohh say what you want about me,

so tell me if you see her,
i wanna no what she was wearing and what she was
like, cos ive been waiting here forever,
and do you know if she was going out of mind,
oh baby baby if you seek amy tonight,
oh baby baby we'll do what ever you like,
oh baby baby baby,
oh baby baby baby

CHORUS

ohh say what u want a bout me,
ohh but cant u see what i see,
ohh say what you want about me,
cos all of the boys and all of the girls,
are begging to if you seek amy.
love me, hate me, say what you want about me.
