"Me Against The Music"

All the people in the crowd
Grab a partner, take it down

It's just me
It's just me against the music
Yeah, (woo!)

(When no one cares)
It's whipping my hair
It's pulling my waist
(To feel the stares)
The sweat is dripping all over my face
(Where no one's there)
I'm the only one dancing up in this place
(Tonight I'm here)
To the beat of the drum
Gotta get with the bass

I'm up against the speaker
Trying to take on the music
It's like a competition
Me against the beat
I wanna get in the zone
I wanna get in the zone
If you really wanna ride
Saddle up and and get ya rhythm
Try to hit it, cicada,
In a minute, I'm a taking you on
I'm a taking you on

Hey, hey, hey
C'mon Now

All my people on the floor,
Let me see you dance, hey!
All my people wanting more,
Let me see you dance, hey!
All my people round and round,
Let me see you dance, hey!
All my people in the crowd,

Let me see you dance, hey!

Ooh

(Tonight it's like a competition)

(Let's take on your song)

Let's take on your song

Let's take on your song

(On the music)

(Turn the party all night long)

All night long

Whoa

(We're almost there)

I'm feeling it bad and I can't explain

(I'm feeling scared)

My hips are moving

At a rapid pace

(I feel it burn)

From the tip of my toes

And through my veins

(You lose your turn)

Let me see what you got

Don't hesitate

I'm up against the speaker

Trying to take on the music

It's like a competition

Me against the beat

I wanna get in the zone

I wanna get in the zone

If you really wanna ride

Saddle up and and get ya rhythm

Try to hit it, chicada

In a minute, I'm a taking you on

I'm a taking you on

Hey, hey, hey

Here we go

All my people on the floor,

Let me see you dance, hey!

All my people wanting more,

Let me see you dance, hey!

All my people round and round,

Let me see you dance, hey!

All my people in the crowd,

Let me see you dance, hey!

Get on the floor

Better lose control

Just work your body

And let it go
If you wanna party
Just grab somebody
And baby we can dance all night
(Dance all night)

M-A-G-N-E-T Man

Take it, drop it, rock it

All my people in the crowd
Grab a partner, take it down
All my people (Wooo!)
All my people (Wooo!)
Grab a partner, take it down

Get on the floor
Better lose control
Just work your body
And let it go
If you wanna party
Just grab somebody
And baby we can dance all night
(Dance all night)

All my people on the floor,
Let me see you dance, hey!
All my people wanting more,
Let me see you dance, hey!
All my people round and round,
Let me see you dance, hey!
All my people in the crowd,
Let me see you dance, hey!

All my people in the crowd
Grab a partner, take it down
All my people, all my people
Grab a partner, take it down
