They couldn't believe I did it
But I was so committed
My life was so restricted for you
I just dove inside it blind
Couldn't see but swam inside
Thought that'd be romantic for you

Exchanged my vows and said it all
All my life prepared to fall
Even screamed at dinner for you
My friends said you would play me
But I just said they're crazy
While I was crying frantic, was it true

Why should I be sad, heaven knows
From the stupid freakin' things that you do
I shouldn't get mad, or sad, who knows
Just take it all as a sign that we're through

Goodbye
Its time for me to move along
Goodbye
Its time for me to get it on
OK I'm tired of singing sad songs
Alright, Its time for me
(Britney let's go)

I sent you to Vegas
With a pocket full of paper
And with no ultimatums on you
I thought what could separate us
But it just seemed that Vegas
Only brought the player out of you (what the fuck?)
(hey baby what's your name)
Lavish homes and fancy cars
Even got the Drop Ferrari

Filled up our garage for you
Made your choice with all the teams
People and Us Magazines
Tell me who'd I do that for? Who?

Why should I be sad, heaven knows
From the stupid freakin? things that you do
I shouldn't get mad, or sad, who knows
Just take it all as a sign that we're through

Goodbye
Its time for me to move along

Goodbye
Its time for me to get it on
OK I'm tired of singing sad songs
Alright, Its time for me
(Britney let's go)

Its time for me to move along
Goodbye
Its time for me to get it on
OK I'm tired of singing sad songs
Alright, Its time for me
(Britney let's go)

And don't you worry bout our angels
All the magazines trying to edit things seeing in the
gossip section
They'll get good guidance and be trained well
Don't worry I'll keep a little secret
Just let me ask this question

Why should I be sad, heaven knows
From the stupid freakin? things that you do
I shouldn't get mad, or sad, who knows
Just take it all as a sign that we're through

Goodbye
Its time for me to move along
Goodbye
Its time for me to get it on
OK I'm tired of singing sad songs
Alright, Its time for me
(Britney let's go)

Its time for me to move along
Goodbye
Its time for me to get it on
OK I'm tired of singing sad songs
Alright, Its time for me
(Britney let's go)

Its time for me to move along
Goodbye
Its time for me to get it on

OK I'm tired of singing sad songs
Alright, Its time for me
(Britney let's go)
