yeah i'm in this bitch  
so put your f-ing hands up  
mashing in the club flashing lights and whips and  
handcuffs

freaky freaky things  
i got thank you's and you're welcomes  
forgive me, give me please, please forgive me mr.  
handsome

if i give a little tug on your belt baby wo-o-oah  
lady's put your drinks in the air saying wo-o-oah  
no i'm not as drunk as i appear baby wo-o-oah  
this bitch is in the club over here (so quit looking over  
there)

do you really want me, do you want, do you really  
wanna get past go  
do you really want me, do you want, do you really  
wanna take me home  
do you really want me, do you want, do you really  
wanna get past go  
do you really want me, do you want, do you really  
wanna take me home

you're asking me to tear it up, tear it up, tear the club  
up  
me to tear it up, tear it up, tear the club up  
me to tear it up, tear it up, tear the club up  
me to tear it up, tear it up, tear the club up

it's time to get the party jumping  
looking to the left  
makes you trying to tell you something

freaky freaky things  
i got thank you's and you're welcomes

forgive me, give me please, please forgive me mr.  
handsome

if i give a little tug on your belt baby wo-o-oah
