Your body's warm
But you are not breathe
It's only your shadow
(Shadow, shadow, shadow)
Tears, in me
I'll don't give it at you
Truth, in me
That it used to
Shadow
Everything that you've got
Why don't you stop, baby?
Cry to me?
Me
Why don't you stop?
Me
The truth
That is all you've got
And now again at me
What he's done to me
Me
Tears, in me
I'll don't give it at you
Truth, in me
That it used to
Shadow
Everything that you've got
Why don't you stop?
What he's done to me
Tears, in me
I'll don't give it at you
Truth, in me
That it used to
Shadow
Everything that you've got
Why don't you stop, baby?
I'm watching your disappear
