You tell me you're in love with me  
That you can't take your pretty eyes away from me  
It's not that I don't wanna stay  
But everytime you come too close I move away  
I wanna believe in everything that you say  
'Cause it sounds so good  
But if you really want me move slow  
There're things about you just have to know, Oh yeah

Baby I'm so into you  
You've got that something, what can I do?  
Baby you spend me around, eauh  
The Earth is moving but I can't feel the ground  
Everytime you look at me  
My heart is jumping it's easy to see  
Loving you means so much more  
More than anything I ever thought before

You drive me Crazy, I just can sleep  
I'm so exited, I'm in too deep  
Oh, Oh Crazy, but it feels all right  
Baby thinking of you keeps me up all night

Oh, oh. Tell me, you're so into me  
That I'm the only one you will see  
Tell me, I'm not in the blue  
I hope that I'm not wasting my feelings on you

You drive me Crazy, I just can sleep  
I'm so exited, I'm in too deep  
Oh, Oh Crazy, but it feels all right  
Baby thinking of you keeps me up all night

Crazy, I just can sleep, I'm so exited, I'm in too deep  
Crazy, but it feels all right, every day and then night

You drive me Crazy, (you drive me Crazy baby)  
yeah, yeah, Woo oh, oh Crazy, but it feels all right  
Baby thinking of you keeps me up all night

You drive me Crazy, (you drive me Crazy baby) yeah,

yeah, Woo oh, oh Crazy,  
(you drive me Crazy baby)  
But it feels all right  
Baby thinking of you keeps me up all night  
Baby thinking of you keeps me up all night
