Yeah, wanna get to know you a little better  
Wanna have you next to me  
Wanna see what you're about  
So tell me what you're sippin' on

I saw you from across the room  
Had to look twice  
Didn't believe what I saw  
Those beautiful eyes  
I wet my lips  
Looked you in the eye  
Made my way toward you  
Couldn't let you get by

What do I have to do (Tell me, please)  
To get to dance with you? (I wanna dance with you)  
To get you home with me? (Baby, please)  
I can't wait to see

[Chorus]  
Tell me what you're sippin' on  
Before you're gone  
Tell me, please  
I want you down on your knees  
Tell me now  
I won't back down  
Tell me what you're sippin' on  
Before you're gone

Lookin' at you  
Waitin' for your move  
Don't be shy  
I wanna get in the groove  
I just can't wait

I'm curious to know  
I want you alone with me  
I won't let you go

What do I have to do (Tell me, please)  
To be alone with you? (I wanna be alone with you)  
To get you home with me? (Baby, please)

I can't wait to see

[Repeat Chorus]

Yeah  
Tell me, please  
Tell me what you're sippin' on

Let's fly away  
Somewhere where we can be alone  
Let's get away  
We'll disconnect the phone  
No interruptions  
It's our time now  
We're all alone  
It's time to take the vow

[Repeat Chorus x2]

Before you're gone. . .  
I want you on your knees. . .  
I won't back down. . .  
Before you're gone. . .

Tell me now  
I won't back down  
Tell me what you're sippin' on  
Before you're gone. . . [echoing]
