If you could gaze into the future (future, future)
You'd think life would be a breeze (life is a breeze)
Seeing trouble from a distance (yeah) (go Rae)
But its not that easy.

I try to save the situation
Then I end up misbehaving (oo oh oo oh oh oh oh)

(Rap)
Hey now
Say now
About to put it down
Yeah, come on and ride with the break now
And the future looks great now
And everything is gon' change
(let's rock)

(Instrumental)
Yeah

(Raven)
That's so Raven
It's the future I can see
That's so Raven
So mysterious to me
That's so Raven
It's the future I can see
That's so Raven
So mysterious to me

(repeat)
YEAH!
