Drums keep pounding rhythm to the brain
La de la de deee
La de la de daaaa

When you have reached the edge
Blah blah
History has turned the page
Blah blah
We still wanna hear a brand new thing
Uh huh
We still need a song to sing
Uh huh

And the beat goes on
And the beat goes on
And the beat goes on
And the beat goes on
And the beat goes on
And the beat goes on

Drums keep pounding rhythm to the brain
La de la de deee
La de la de daaaa

Love is the first thing, last thing on my mind
From tonight til the end of time

And the beat goes on
And the beat goes on
And the beat goes on
And the beat goes on
And the beat goes
And the beat goes
And the beat goes on

Drums keep pounding rhythm to the brain
La de la de deee
La de la de daaaa

We Still move to a rhythm just like this
We Still dream of sharing our first Kiss

And the beat goes on
And the beat goes on
And the beat goes on
And the beat goes on

World keeps turning faster everyday (everyday)
We still wanna dance the night away

And the beat goes on (and the beat goes on)
And the beat goes on (and the beat goes on)
And the beat goes on (and the beat goes on)
And the beat goes on (and the beat goes on)
And the beat goes on (and the beat goes on)
And the beat goes on (and the beat goes on)
