I can be the treble baby
You can be the bass
You can be the bass
You can be the bass
I can be the treble baby
You can be the bass
You can be the bass
You can be the bass
I can be the treble baby
You can be the bass
You can be the bass
You can be the bass
I can be the treble baby
You can be the bass
You can be the bass
You can be the bass

Hey
You see me down on the floor
I want you to take me higher
Till I can't take it no more

It's gettin bigger
The bass is gettin bigger

And now
You see me up in the sky

I was rockin the bottom
Now look at me I can fly

It's gettin bigger
The bass is gettin bigger

I can be your treble baby
You can be my bass
You can be my bass
You can be my bass

I can be your treble baby
You can be my bass
You can be my bass
You can be my bass

It's gettin bigger
The bass is gettin bigger

It's gettin bigger
The bass is gettin bigger

It's gettin bigger
The bass is gettin bigger

It's gettin bigger
The bass is gettin bigger

The bass is getting low
The bass is getting low
The bass is getting low

I-I-I-It's gettin bigger
The bass is gettin bigger

Hey
You see me out in the night
Wanna go out dancing
So I can feel alright

It's gettin bigger
The bass is gettin bigger

Yo
Take me out in the lights
I wanna have me a good time
The bass is feelin nice

It's gettin bigger
The bass is gettin bigger

I can be your treble baby
You can be my bass
You can be my bass
You can be my bass

I can be your treble baby
You can be my bass
You can be my bass
You can be my bass

I can be your treble baby
You can be my bass
You can be my bass
You can be my bass

I can be your treble baby
You can be my bass
You can be my bass
You can be my bass

Y'all better get ready for the kick drum
For the kick drum

Y'all better get ready for the kick drum
For the kick drum
For the kick drum

Yo it's the kick drum
Come and get some
The sound that's rockin your system
When it pounds it cause an addiction
Y'all ----- better have a prescription
Me and Brit got the whole club trippin
They sit and wait and listen
For the kick drum
For the kick drum
For the kick drum
For the kick drum
For the big big fat fat bass
Rockin all in your face
Vibrate your cup ----
Right now let's get crazy
Here we go
Here we go
Here we go
Everybody in the place get frantic
This beat right here's gigantic
Yo

It's gettin bigger
The bass is gettin bigger

It's gettin bigger
The bass is gettin bigger

It's gettin bigger
The bass is gettin bigger

It's gettin bigger
The bass is gettin bigger

I can be your treble baby
You can be my bass
You can be my bass
You can be my bass

I can be your treble baby
You can be my bass
You can be my bass
You can be my bass

I can be your treble baby
You can be my bass
You can be my bass
You can be my bass

I can be your treble baby
You can be my bass
You can be my bass
