He was lookin  
Said he wanna hook up  
But she don't wanna hook up  
Told him, just go  
And then she looked and said she wanna hook up  
He really wanna hook up  
Told him, let's go

Baby, I can't believe everything  
Your body makes me wanna do  
And the way that you move on the floor  
Now I think I'm in love with you  
Grab my waist  
Wanna get with the rhythm and that move you do  
Switch my hips on the floor  
Baby slow to keep up with you

Back it up, na  
Bump ya rump, na  
Grab my waist, na  
Work it out, na  
Grab my shoulder  
Pick it up, na  
Take it lower  
To the floor, na

Get up, baby  
We can drop a little somethin'  
Ride it, baby  
We can do a little somethin'  
Take out, baby  
Wanna get a little somethin'  
You know, baby  
Let's hook up a little somethin'

Baby, I can't believe everything  
That I feel when I dance with you  
From the small of my back to the breath on my neck  
To the move you do  
Put your body  
Gotta get my body up right next to you  
Move the party

Gotta rock the party until they're over you

Back it up, na  
Bump ya rump, na  
Grab my waist, na  
Work it out, na  
Grab my shoulder  
Pick it up, na  
Take it lower  
To the floor, na

Boy, I can't explain  
What you do to me

My whole world has changed  
I live in a fantasy  
Tonight, I'm in the mood  
Please take me by your hand  
I wanna get in your groove  
So, baby, take me there

The bodies keep shaking  
(Wanna get) My body keeps shaking  
Better get your butt out here baby  
Come on lets go  
So do how you do it  
(Drop it down) Bend over get to it  
(Make it pop) Back down to the ground  
Pick it up, let's go [x2]

Don't stop  
Just get, get on the floor  
Butt drops  
Hips pop, poppin' for sure  
Who's got, got it  
Get it some more  
One time, two time, three time we go

Back it up, na  
Bump ya rump, na  
Grab my waist, na  
Work it out, na  
Grab my shoulder  
Pick it up, na  
Take it lower  
To the floor, na

Back it up, na  
Bump ya rump, na  
Grab my waist, na  
Work it out, na

Grab my shoulder  
Pick it up, na  
Take it lower  
To the floor, na

Get up, baby  
We can drop a little somethin'Â'  
Ride it, baby  
We can do a little somethin'Â'  
Take out, baby  
Wanna get a little somethin'  
You know, baby  
Let's hook up a little somethin'Â'

Back it up, na  
Bump ya rump, na  
Grab my waist, na  
Work it out, na  
Grab my shoulder  
Pick it up, na  
Take it lower  
To the floor, na
