I'm not a perfect person
As many things I wish I didn't do
But I continue learning
I never meant to do those things to you
And so I have to say before I go
that I just want you to know

(Chorus)

I've found a reason for me
To change who I used to be
A reason to start over new
And the reason is you

I never meant to hurt you
It's something I must live with everyday
And all pain I put you through
I wish that I could take it all away
And be the one who catches all your tears
That's why I need you to hear

I've found a reason for me
To change who I used to be
A reason to start over new
And the reason is you

And the reason is you
And the reason is you
And the reason is you

I'm not a perfect person
I never meant to do those things to you
And so I have to say before I go
That I just need you to know

I've found a reason for me
To change who I used to be
A reason to start over new
And the reason is you

I've found a reason to show
A side of me you didn't know

A reason for all that I do
And the reason is you
