I'm Britney Spears and I'm shaking my ass  
I sign a thousand autographs  
Please - just get to the point when you talk to me  
And if a favor gets involved, just rub my feet  
Yea this business is f\*\*ked  
And I want some fun  
I wanna sit at home and watch Dumb and Dumber  
Sike- I take that back, I'm just trickin? you see  
Cause when I show my belly everybody copies me  
It's kinda cool, nothin? but guys  
But I'm just Britney Spears and I got all this power

But the bottom line is I don't even use it

Right when you become a bitch that's when you lose it  
So what if I do? What if I lose it all today?  
I've always got my friends to hold me all the way  
Happiness is the key, and love when you fall  
Like Lauren Hill said you ain't got that - got nothing at  
all, y'all  
So how you been?  
It's been awhile.  
But it feels nice  
It really feels nice  
Yea
