Iâ€™m not ashamed of the things that I dream
I find myself flirting with the verge of obscene
Into the unknown, I will be bold
Iâ€™m going to places I can be out of control

And I donâ€™t want to explain tonight
All the things Iâ€™ve tried to hide
I shut myself out from the world so I
Can draw the blinds and Iâ€™ll teach myself to fly

I love myself
Itâ€™s not a sin
I canâ€™t control whatâ€™s happeninâ€™

â€™Cause I just discovered
Imaginationâ€™s taking over
Another day without a lover
The more I come to understand
The touch of my hand

From the small of my back and the arch of my feet
Lately Iâ€™ve been noticinâ€™ the beautiful me
Iâ€™m all in my skin and Iâ€™m not gonna wait
Iâ€™m into myself in the most precious way
And I donâ€™t want to explain tonight
All the things Iâ€™ve tried to hide
I shut myself out from the world so I
Can draw the blinds and Iâ€™ll teach myself to fly

â€™Cause I just discovered
Imaginationâ€™s taking over
Another day without a lover
The more I come to understand
The touch of my hand

Thereâ€™s a world undefined
In my body and mind
I wonâ€™t be left behind
Iâ€™m already here

â€™Cause I just discovered
Imaginationâ€™s taking over

Another day without a lover
The more I come to understand
The touch of my hand

Â‘Cause I just discovered
ImaginationÂ’s taking over
Another day without a lover
The more I come to understand
The touch of my hand
