I'm not ashamed  
Of the things that I dream  
I find myself flirting with the verge of obscene  
Into the unknown  
I will be bold  
I'm going to the places that I can be out of control

And I don't want to explain tonight  
All the things I've tried to hide  
I shut myself out from the world tonight  
So I can draw the blinds  
Then I'll teach myself to fly  
I love myself it's not a sin  
I can't control what's happening

Cause I've just discovered  
Imagination's taking over  
Another day without a lover  
The more I come to understand  
The touch of my hand  
The small of my back  
The arch of my feet  
Lately I've been noticing the beautiful on me  
The mole on my skin, and I'm not gonna wait  
I'm into myself in a most precious way

And I don't want to explain tonight  
All the things I've tried to hide  
I shut myself out from the world tonight  
So I can draw the blinds  
Then I'll teach myself to fly

Cause I've just discovered  
Imagination's taking over  
Another day without a lover  
The more I come to understand  
The touch of my hand

There's a world undefined  
In my body and mind  
I won't be left behind

I'm already there

Cause I've just discovered  
Imagination's taking over  
Another day without a lover  
The more I come to understand  
The touch of my hand

Cause I've just discovered  
Imagination's taking over  
Another day without a lover  
The more I come to understand  
The touch of my hand
