You and I left alone cannot be trusted
There's a lust we can't control
Slowly undress, chest to chest

And unless I say goodnight
I know we're only gonna go too far
Please, I'm not quite ready for that next level
One kiss and that spells trouble

But you could talk me in, talk me into it if you wanted to
You could talk me in, talk me into it, if you only knew
Yeah I'm likin', I'm likin' the way you do-o-o
What you do-o-o to me

I, I don't wanna lose control, control, control, control
But then again I, I think I wanna lose control, control,
control

Ain't nothing wrong with a little bit of
Trouble, trouble, trouble, trouble, trouble
Tro-uble, trouble, trouble, trouble

You and me that equals
Trouble, trouble, trouble, trouble, trouble
Tro-uble, trouble, trouble, trouble
Ain't nothing wrong with a little bit of

I get down, I surprise you, don't you push me
Let me in your crib today, next day I'll snatch the goods
away
You're not listenin'

Watch me now, 'cause I'm a good girl but I can be bad
You're not quite there, you're not on my level
Trust me, for you I'm trouble

You could talk me in, talk me into it if you wanted to
You could talk me in, talk me into it, if you only knew
Yeah I'm likin', I'm likin' the way you do-o-o
What you do-o-o to me

I, I don't wanna lose control, control, control, control

But then again I, I think I wanna lose control, control,
control

Ain't nothing wrong with a little bit of
Trouble, trouble, trouble, trouble, trouble
Tro-uble, trouble, trouble, trouble

You and me that equals
Trouble, trouble, trouble, trouble, trouble
Tro-uble, trouble, trouble, trouble
Ain't nothing wrong with a little bit of

This is a warnin', I'm warnin' ya
You're taking too long, too long
Tryin' play the back and be cool
But boy you're playin' it wrong, playin' it wrong

Now it's in your eyes
You're really, really lookin' like you wanna do somethin'
Like-like you wanna do somethin', do somethin'

Boy, you better get right
If you don't you're gonna mess around and lose
somethin'
You're gonna mess around and lose somethin', lose
somethin'

I, I don't wanna lose control, control, control, control
But then again I, I think I wanna lose control, control,
control

Ain't nothing wrong with a little bit of
Trouble, trouble, trouble, trouble, trouble
Tro-uble, trouble, trouble, trouble

You and me that equals
Trouble, trouble, trouble, trouble, trouble
Tro-uble, trouble, trouble, trouble
Ain't nothing wrong with a little bit of
