(Verse 1)

I walk in the lights are shinin' just the same
I turn my head the music echoes in my brain
Where could she be? I wonder if she's even here
I grab my drink as someone whispers in my ear...
She caught my eye! She got down on the floor (and)
I swear, I've seen her in my dreams before (and)
I wanna get to know her, but I don't know what to say
I can only pray that she sees what she is to me!
She got me thinkin'...

(Bridge)

What's her name? Where's she from?
I think that she could be the one
I just got to, got to know her better
We can move 'till we see the sun
No hesitating, such a lush!
I just wanna get to know her better

(Chorus)

Hey mister DJ turn it up a little louder
I keep looking for the girl and I think that I found her
Just turn it up 'cause DJ it's my favorite song
I gotta make a round tonight 'cause...
I just can't get her out of my mind
The way she moves
I Don't know what to do
I'm losing control watchin' her on the floor
So mister DJ click the volume to the right
I gotta make a round tonight 'cause...
I just can't get her out of my mind (out of my mind)

(Ow!)

(Verse 2)

Watchin' her she got me feelin' like a zombie
She smiles 'cause she got me right where she wants
me
Everyone's around her but she's all that I can see
With every move she knows that she's controllin' me!
She starts to stumble and she she drinks a little more

(and)
I swear, I've seen her in my dreams before (and)
I wanna get to know her but I don't know what to say
I can only pray that she sees what she is to me
She got me thinkin'...

(Bridge) x1
(Chorus) x1

You walk in, I go insane
But I don't even know your name
Baby, you could be the one
I need the DJ to turn it up!

(Chorus) x1

You walk in, I go insane
But I don't even know your name
Baby, you could be the one
Yeah
