Turn on the night

Lets go
Lets get out on the town
Something's going on
And I wanna be around
Something's not right
If I don't get out tonight
Turn on the night
Make sure everything all right
Hair done, nails done right
Best bet I'll be home at 5:00
Cause when I go out
I go all out
Me and my girls
Nothings in our way
Turn on the night
Turn on the night
Aint no man gonna change my mind
Cause best bet I'll be going home by myself

Cause you know me
You gotta hit me one more time
Before I give you the time of day
Wanna drive me crazy?
Show me how you dance
If you can move your hips the way I move mine
Let me see, let me see
Turn on the night
Make sure everything all right
Hair done, nails done right
Best bet I'll be home at 5:00
Cause when I go out
I go all out
Me and my girls
Nothings in our way
Turn on the night
