If you wanna just
Scream your lungs out
If you wanna
Just cry your eyes out
That's what I'm about
You can cry your eyes
Out if you like

Baby, baby
I don't care
I don't care
I don't care
I don't
You can cry
Your eyes
Baby, baby
Feels like
I'm underground
Underground

You again
Here again
Under
You can cry
Your eyes
Baby, baby
Feels like
I'm underground

Baby, baby
I don't care
I don't care
I don't care
I don't
You can cry
Your eyes
Baby, baby
Feels like
I'm underground
Underground
