[Justin:]

Do you know what it's like?  
C'mon, C'mon

[Britney:]

Baby Tell me  
Tell Me I  
Im Like the kinda girl  
That you wanna take me home  
Wanna meet me alone  
Do you even know what I like  
Just what I'm living for,  
What I adore  
Baby, take the time to realize I'm  
not the kind to sacrifice  
The way I am  
So if you wanna be my man (baby)

[Britney & Justin:]

Walk a mile in my shoes  
Do me right or I'm through  
Can't you see that  
If you wanna stay around (Im telling you)  
Youve got to figure me out  
Take your time or you loose  
This is my game, my rules  
And I can see, obviously,  
Baby You don't know  
What It's like to be me

[Justin:]

Do you know what its like?  
Do you know what its like?

[Britney:]

Don't you get it twisted boy  
I want you too  
But you got my heart to win  
Before I let you in  
And this deceives you baby  
I'm not the other in leading

I need someone to love

Baby, take the time to realize I'm  
not the kind to sacrifice  
The way I am  
So if you wanna be my man (baby)

Walk a mile in my shoes  
Do me right or I'm through  
Can't you see that  
If you wanna stay around (Im tellin you)  
Youve got to figure me out  
Take your time or you loose  
This is my game, my rules  
And I can see, obviously,  
Baby You don't know  
What It's like to be me

Baby, Get to know me  
Then you can show me  
that you love for me is true  
Ill give you everything  
That a girl can give  
So Don't you wanna be my man?

Walk a mile in my shoes  
Do me right or I'm through  
Can't you see that  
If you wanna stay around (Im telling you)  
Youve got to figure me out (Youve got to figure me out  
baby)  
Take your time or you loose  
This is my game, my rules (This is my game)  
And I can see, obviously,  
Baby you don't know  
What It's like  
(No No You Dont)

(Breakdown)

Walk a mile in my shoes  
Do me right or I'm through (This is my game baby)  
Can't you see that  
If you wanna stay around  
Youve got to figure me out (Youve got to figure me out)  
Take your time or you loose  
This is my game, my rules  
And I can see, obviously, Baby You don't know What It's  
like (to be me) [Thanks to Mo for these lyrics]
