I believe
We all have one true love
Somewhere in this world,
I do (I do, I do)
When it seemed all my dreams
Were falling through
That's when I found you

I believe for every heart
That whispers in the dark
There's a ray light somewhere
Shining through
It was sink or swim
When the tide came in
I found myself

When I found you
I found the closest thing to heaven
That's in you
I found the deepest love I knew
Oooo oh, I believe, yes its true
I found myself when I found you, Ooh yeah

I believe(I believe),
For every door (every door)
That's closin'
For every heartbreak
There's hope for something new
From the ashes right,
I glimpse a paradise
It still flickered in your eyes

When I found you
I found the closest thing to heaven
That's in you
I found the deepest love I knew
Oooo oh, I believe, yes it's true
I found myself when I found you

A life unfolds
No one knows

I found love once
Just a tingling of the skin
I felt so alone, all alone
More than you could ever know
You share deeper love
Sweet love

When I found you
I found the closest thing to heaven
I found the deepest love I know (I found you baby)
I found the closest thing to heaven
I found myself

When I found you
I found the closest thing to heaven
That's in you
I found the deepest love I knew
Oooo yeah, Oh I believe, yes its true
I found myself when I found you, you
