your touch, your taste,
your breath, your face,
your hands, your head,
your sweet, your love,
your teeth, your tongue,
your eye, your mine
your lips, your fine
you're heaven on earth

i've waited all my life for you
my favorite kiss, your perfect skin, your perfect smile

waking up and your next to me
wrap me up in your arms and back to sleep

lay my head on your chest and drift away
(the greatest thing i've ever seen the color of your
eyes)
(You've taken me so far away, one look and you stop
time)
dream of you and your almost happy
(the greatest thing i've ever seen the color of your
eyes)
(You've taken me so far away, one look and you stop)

fell in love with you and everything that you are
nothing i can do, i'm really crazy about you
when your next to me it's just like heaven on earth (your
heaven, your heaven on earth)
tell me that i'll always be the one that you want
don't know what i'd do if i ever loose you
look at you and what i see is heaven on earth, i'm in
love with you

your breath, your face,
your hands, your head,
your sweet, your love,
your tounge

i'd move across the world for you
just tell me when, just tell me where, i'll come to you

take me back to that place and time
images of you are in the back of my mind

far away but i feel you here with me

(the greatest thing i've ever seen the color of your
eyes)
(You've taken me so far away, one look and you stop
time)
dream of you and your almost next to me
(the greatest thing i've ever seen the color of your
eyes)
(You've taken me so far away, one look and you stop,
yeah)

fell in love with you and everything that you are
nothing i can do, i'm really crazy about you
when your next to me it's just like heaven on earth (your
heaven, your heaven on earth)
tell me that i'll always be the one that you want
don't know what i'd do if i ever loose you
look at you and what i see is heaven on earth, i'm in
love with you

in love with you, said i'm so in love,
said i'm so in love, so in love

fall off the edge of my mind (i'd fall off the edge of my
mind)
fall off the edge of my mind for you
i'd fall of the edge of my mind (first time i've never
seen the color of your eyes)
i'd fall of the edge of my mind (think of me from far
away)

fell in love with you and everything that you are
nothing i can do, i'm really crazy about you
when your next to me it's just like heaven on earth (so
in love, your heaven, your heaven on earth)
tell me that i'll always be the one that you want
don't know what i'd do if i ever loose you
look at you and what i see is heaven on earth, i'm in
love with you

I'm so in love
I'm so in love

I fall off the edge of my mind, (I'm so in love)
When I just look at you, I feel like I'm gonna jump into
heaven
(So in love)

And it's gonna catch me
Catch me if I jump
Will you catch me?
