I could try to tell you lies and hide my heart away
Play it cool, play by the rules I know how this should go
But I don't wanna take it slow I need you to know that

I'm gonna lay it on the line
Don't wanna waste any more time
I can't eat, I can't sleep, falling fast, falling deep
If you feel the same I swear
Then I am so there

Like the river ebbs and flows rolling to the sea rolling to
the sea
I feel like I'm comin' home each time I kiss your lips
Nothing else ever felt like this all the pieces fit

I'm gonna lay it on the line
Don't wanna waste any more time
I can't eat, I can't sleep, falling fast, falling deep
If you feel the same I swear
Then I am so there

Well I'm there when you need someone to hold you
There when the world seems so unfair
When you look down the road for someone to run to
Baby I'll be there

Oh I'm gonna lay it on the line
Don't wanna waste any more time
I can't eat, I can't sleep, falling fast, falling deep
If you feel the same I swear
Then I am so there
