I feel these four walls closing in
Face up against the glass I'm looking out
Is this my life I'm wondering?
It happened so fast how do I turn this thing around
Is this the bed I chose to make
It's greener pastures I'm thinking about
Wide open spaces far away
All I want is the wind in my hair
To face the fear but not feel scared

Wild horses I wanna be like you
Throwing caution to the wind, I'll run free too
Wish I could recklessly love like I'm longing to
I wanna run with the wild horses
Run with the wild horses

I see the girl I wanna be
Riding bare-back, care-free along the shore
If only that someone was me
Jumping head-first, head-long without a thought
To act and damn the consequence
How I wish it could be that easy
But fear surrounds me like a fence I wanna break free
All I want is the wind in my hair
To face the fear, but not feel scared

Wild horses I wanna be like you
Throwing caution to the wind, I'll run free too
Wish I could recklessly love like I'm longing to
I wanna run with the wild horses
Run with the wild horses

I wanna run too
Recklessly abandoning myself before you
I wanna open up my heart tell him how I feel

Wild horses I wanna be like you
Throwing caution to the wind, I'll run free too
Wish I could recklessly love like I'm longing to
I wanna run with the wild horses
Ooo yeah, I wanna run wild, I wanna run just like you
I wanna run with the wild horses
