Ain' t that the way (Ain' t that the way)
Ain' t that the way (where you go)
Ain' t that the way it goe, baby, because I know
(ah, here we go)

Chorus

Ain' t that the way you try to run away
Ain' t that the foolish game you try to play
But Baby that ain' t the way it goes
Believe me 'cause I know
You gonna learn the hard way

I heard your message on the phone today
And it heard me all the heardins you were saying
you said you need to get away
(go away from me, baby), yeah

I wonder what you feel on your mind
What would make you feel
That you need the time
To be away from me baby (baby) yeah

Ask myself what have I been doing wrong
So what else been going on (going on)
Are you messing around on, baby (Don' t mess with)
Still believe that your hear belongs to mine (baby)
But if you leave, boy, I' m gonna be fine (it' s enough)
After all this time
Why you wanna throw it away?

Chorus

Ain' t that the way you try to run away
Ain' t the foolish game you try to play
But Baby that ain' t the way it goes (Ain' t the way)
Believe me because I Know (Ain' t the way)
You gonna learn the hard way (hard way)
Ain' t that the way you try to make me cry (uuuh, yeah)
That' s pulling me down and try to critisize
But Baby that ain' the way it goes

Believe me 'cause I know
I gonna have to say Goodbye
(yeah)

It hurts me what you' re feeling inside
All those years I' ve been by your side (by your side)
I think it' s time to put this right (it' s time, it' s time)
I know you feel that you need to make a change
But all you' re doing is possibly paid
I should' ve known it long ago
Ain' t that the way

Rap:

Yeah, that' s the way you wanna pull me down, baby
Where you wanna go down, Lady
This time, somehow
This game that you played (ah)
Where you will that I stay
Oh girl, don' t you know what it takes to my row
Trust, knowless and unballermass
Bust, relationship is up to us
Wild, you ain' t he goes, we' re talking
Place underside my stalking
Damn walking
You want the next days
They wanna live a largend
Gave you the living , I say
(Yeah, yeah)

Why you wanna throw it away?

Chorus

Ain' t that the way you try to run away
Ain' t that the foolish game you try to play
But Baby, that ain't the way it goes (ain' the way it goes)
Believe me ' cause I know (Believe me 'cause I know)
You gonna leatn the hard way (uuuh)

Ain' t that the way you try to make me cry (you never gonna make me cry)
That' s pulling me down and try to critizise (You wanna critizise)
But Baby that ain' t the way it goes
Believe me ' cause I know
It' s time for me to say Goodbye

Chorus repeat

Ain' t that the way (uuuh yeah)

Ain' t that the way
Ain' t that way it goes
Believe me' cause I know

Why you wanna throw it away?

Ain' t that the way
Ain' t that the way
Ain' t not the way it goes
Believe 'cause I know (You make me cry)
