did i dream you-could you be true-cause when i'm with
you
i cant believe that youre with me

girl i never,thught id ever find you
and be the one whos holding you,loving you
baby youre amazing to me maybe youre the reason i
believe

every time i hear your voice, everytime i feel your kiss
it tells me heaven must be missing an angel
everytime i see your face im thinking you must be a
vision
heaven must be missing an angel

youre perfection,loves expression
in every way you show me what its all about

youre the answer to my all my prayers oh baby
its like you brought me higher love
from up above

every time i hear your voice...

baby youre amazing to me
maybe youre the reason i believe,i believe

every time i hear your voice...
