Aha, this is "Days Of Our Lives"
We gonna present it like this
Put the music on and let me sing
I can feel the magic that you bring
Don't keep me waiting, I just can't take it
And if you turn back the time
Remember when you were just mine
Then you can feel it, this is how I see it
Chorus
It's gonna be the days of our lives
We're gonna fly high in the blue sky
Wait for the right plane
Playing that same game
It's there in your eyes
We just can't miss it this time
And there is no time for goodbye
This is the life that you chose, so live it
You can watch, you can maybe sit in
I tell you one thing and this one's for sure
This is your life, so you take care of it all
Let the people see what love can bring
This is not a game that someone wins
If you don't use it, I'm sure you will lose it
I'm gonna give up my life
I'm gonna stay here by your side
I know that you feel it, so this is your call
Chorus (2x)
It's gonna be the days of our lives
We're gonna fly high in the blue sky
Wait for the right plane
Playing that same game
It's there in your eyes
We just can't miss it this time
And there is no time for goodbye
Don't wanna stay, let's go today
Always together
Don't wanna make the same mistake
Love you forever
Oh girl can't you see what we're going through
I can't go on without you
This is "Days Of Our Lives"
Chorus (2x)

It's gonna be the days of our lives
We're gonna fly high in the blue sky
Wait for the right plane
Playing that same game
It's there in your eyes
We just can't miss it this time
And there is no time for goodbye
It's there in your eyes
Wait for the right plane
Playing that same games
And there is no time for goodbye
