Freaky Deaky

There was this girl She was so fly
Couldnt contain myself when she walked by
So I thought that
Im a have to get with this chick
So I walked up to her Asked what's her trick She said
I don't really wanna tell you now But if you take me here
Im gon show you how
I thought Damn! So that's what I did
Next thing I know Were back in my crib And she said
Baby, don't you worry I know what Im doing
Closeyour eyes and come with me And she was so

Chorus:

Freaky deaky like no other chick
Freaky deaky I can't handle it
Shes coming over just to give me some
Shes ghetto, I know, she wont let go
Freaky deaky like all the time
Freaky deaky always on my mind
She gives me pleasure like you can't find
Shes ghetto, I know, she wont let go
Now Im that type of guy Whos down for whatever
But you freaky girl is on a whole different level
See I like it, but you scare me girl
And still I want a part of your freaky world
I couldnt leave Even if I wanted to
I couldnt speak Even if you asked me to
Now this sounds so crazy I know it, believe me
But all she wanna do is get a little

Chorus:
