U are  
One of those who can't keep your ass in a seat  
Although  
U dance to every other rhythm but the beat  
I think  
It's hard enough for us to keep focused on our side  
Step back  
Don't take it personal just take care of your own ride

'Cause we can't stand another one of you  
You don't need to tell us what to do  
Try to split a tight fist in two and you'll see

Funk you  
For all the days that you didn't see us workin hard  
Funk you  
For smiling at us without meaning it from the heart  
Funk you  
For crying around on tv sceamin' they threw me out  
Funk you  
We won't give up cause  
We don't give a funk!

Now it's  
Just about that time we make things clear  
'Cause we've  
Been around and had more than a one hit wonder year  
Just to  
Make sure u'll keep your eyes wide open 'cause there's  
still much more to come  
We'll be  
Your worst nightmare if you don't let us finish till we're  
done

'Cause we can't stand another one of you  
You don't need to tell us what to do  
Try to split a tight fist in two and you'll see

Funk you  
For all the days that you didn't see us workin' hard  
Funk you

For smiling at us without meaning it from the heart  
Funk you  
For crying around on tv sceamin' they threw me out  
Funk you  
We won't give up'cause  
We don't give a funk!

Straight in yo face  
Yeah the funk gonna hit so  
Related beats daddy danced in the disco  
You know that i know we do so i general  
Bringin on funk, so funk you  
Ain't yo show just let go  
Cool down ya temper fool  
Chill is what you need to  
Please never let nicknames imma give you  
Yeah been blessed with tunes that we bringin you  
This time we gonna break out listen up funk you

'Cause we can't stand another one of you  
You don't need to tell us what to do  
Try to split a tight fist in two and you'll see

Funk you  
For all the days that you didn't see us workin' hard  
Funk you  
For smiling at us without meaning it from the heart  
Funk you  
For crying around on tv sceamin' they threw me out  
Funk you  
We won't give up'cause  
We don't give a funk!

Funk you  
For all the days that you didn't see us workin' hard  
Funk you  
For smiling at us without meaning it from the heart  
Funk you  
For crying around on tv sceamin' they threw me out  
Funk you  
We won't give up'cause  
We don't give a funk!
