Did i dream you could you be true  
Cause when I'm with you I can't believe that you're with  
me  
Girl I never thought I'd ever find you  
And be the one who's holding you, and loving you

Baby you're amazing to me, maybe you're the reason I  
believe

Chorus:

Everytime I hear your voice, everytime I feel your kiss  
It tells me heaven must be missing an angel  
Everytime I see your face, I'm thinking you must be a  
vision  
Heaven must be missing an angel

You're perfection, Love's expression  
In every way you show me what it's all about  
You're the answer to all my prayers [..oh baby]  
It's like you brought me higher love from up above

Chorus:

Everytime I hear your voice, everytime I feel your kiss  
It tells me heaven must be missing an angel  
Everytime I see your face, I'm thinking must be a vision  
Heaven must be missing an angel

Baby you're amazing to me, maybe you're the reason I  
believe, I believe

Chorus (3x):

Everytime I hear your voice, everytime I feel your kiss  
It tells me heaven must be missing an angel  
Everytime I see your face, I'm thinking must be a vision  
Heaven must be missing an angel
