Ha you know some people just dont know what I am
talking about
but I know you understand
cause I know you believe.

Baby I believe that
you were meant for me
and if there's somebody
then Baby I believe
that somebody is you and
Everything you do
'cos baby I believe
I believe in you

I walk home alone
Waiting my telephone
All my girlfriends say
'Give it up baby give it up'
I know that you can see
This is how it's means to be
You're my frequency
'cos baby I believe

REFRAIN:

Baby I believe that
you were meant for me and
If there's somebody
Then baby I believe
That somebody is you and
Everything you do
'cos baby I believe in you
I believe in you Yeah yeah
yes I do yes i do

No they don't understand
Dreaming up a master plan
I know that you can
'Give it up baby give it up'
and it's a simple rule
you don't wanna play it cool
leave me like a fool
'cos I believe in you

REFRAIN:

Baby I believe that
You were meant for me and

If there's somebody
Then baby I believe
That somebody is you and
Everything you do
'cos baby I believe in you
I believe in you

One love is the property I believe
without pain to past and if you came to me.
You say am I sure is one and one is two
Yeah I believe in you
That is what I do
'cause I believe in you

And it seemed so real
I was dreaming did you
come to me
Hold me closer for eternity I believe

REFRAIN:

Baby I believe that
You were meant for me and
If there's somebody
Then baby I believe
That somebody is you and
Everything you do
'cos baby I believe in you
I believe in you

I walked to the world and I see it all
I never looked down in case of the fallen
off the wall and I still believe.
Yeah
And somebody is you and
Everything you do
Cause baby I believe
I believe in you
Yes I do
Yes I do
I believe in you.
