Girl you must be crazy  
But maybe that's what keeps me  
Running after you is messing with my mind

So if you want my loving  
You better show me something  
And pretty girl don't think I'm gonna wait in  
line

Fresh off the block  
She knew that  
She hit the spot  
She had that  
Like it or not  
Attitude That really turned me on

And I'm standing around  
No that ain't clever  
There ain't no doubt  
Can't wait forever  
I want it now It's now or never

Chorus:  
You got to make up your mind girl  
If you wanna me mine  
Don't wait too long girl Before I change my mind  
I'm in demand girl And you're running  
out of time So don't wait too long girl  
Before I change my mind

I'm sick and tired of chasing  
One night stands with different faces  
Been there, done that and tasted Now I'm wanting you

Some say  
These things they won't last longer  
And now I'm wanting something stronger  
Please girl  
don't make it harder I gotta be with you

Just make your move,  
I can't wait forever Nothing to lose,

it's now or never

I need it now,  
let's get together

Chorus:

You got to make up your mind girl  
If you wanna me mine  
Don't wait too long girl Before I change my mind  
I'm in demand girl And you're running  
out of time So don't wait too long girl  
Before I change my mind

To alla ya boys let me tell you  
where I'm coming from  
So say ya leavin pack all ya bags up where ya never  
been  
Isn't it insane all  
the problems that we create  
The state we are in come again Enough time you're not  
givin' me  
Should  
been plenty slow down better come down  
Better not tempt thee So make up your mind you're  
running  
out of time  
Boy well I gotta decline

Chorus: 2x!

You got to make up your mind girl  
If you wanna me mine  
Don't wait too long girl Before I change my mind  
I'm in demand girl And you're running  
out of time So don't wait too long girl  
(Before I change my mind )

You got to make up your mind

Don't waste my time  
make up your mind  
Don't waste my time  
Just make up your mind (3x)
