CHORUS:

Still remember the feelin', baby  
Still remember the thrill, yes I  
Still remember your sweet sweet lovin'  
& I always will

It's been a long time, baby, since you've been gone  
away  
I still remember your kisses like it was yesterday  
I tried to forget you, but I've found it's no use when I...

(chorus)

I missed you so much, baby; I really lost my mind  
You've been a long time comin'; now that you're here  
I'm fine  
They said time would change things, but everything's  
the same & I...

(chorus)

(instrumental)

What good would it do me to find somebody new when  
I...

(repeat chorus & fade)
