When my Johnny asked me out on a time
My heart went do-dat-da-da-da-da-da-da-da
He brushed my cheek & it felt so nice
My heart went do-dat-da-da-da-da-da-da-da
When he kissed my lips it felt so right
He held my hand oh so tight
My heart went do-dat-da-da-da-da-da-da-da
Do-dat-da-da-da-da-da-da-da-da
Do-dat-da-da-da-da-da-da-da-da
My heart started out rushin'

When he stopped the car & held me close
My heart went do-dat-da-da-da-da-da-da-da
I whispered "Johnny baby, you're the most"
My heart went do-dat-da-da-da-da-da-da-da
When we turned off the light we turned the music low
I thought my heart was gonna go
My heart went do-dat-da-da-da-da-da-da-da
Do-dat-da-da-da-da-da-da-da-da
Do-dat-da-da-da-da-da-da-da-da
My heart started out rushin'

When he started to touch & take me home
My heart went...(violins)
I hadn't had enough of our bein' alone
My heart went...(violins)
When he walked me to the door & kissed me once
more
I knew my mind was gone for sure
My heart went...(violins)

Well I got into bed & I started to think
My heart went do-dat-da-da-da-da-da-da-da
I had go get something from out the kitchen sink
My heart went do-dat-da-da-da-da-da-da-da
Well I jumped back into bed, I tried to go to sleep
I rubbed up my hands, thought of Little Bo Beep
My heart went do-dat-da-da-da-da-da-da-da
Do-dat-da-da-da-da-da-da-da-da
Do-dat-da-da-da-da-da-da-da-da
My heart started out rushin'

My heart went do-dat-da-da-da-da-da-da
Do-dat-da-da-da-da-da-da-da
...& fade
