"No Time For Us"

Visit "[No Time For Us](#)" on MotoLyrics.com

there is no time for us
there is no time for us
oh the world won't understand
it's left no time for us

I love a girl I'll never see her again
she was so young I'll never see her again
she was so young
I'll never see her again

what is worthwhile in the world
if you can't be with the one you love
what is worthwhile
we'll be forgotten when we're gone

if I could change one thing in life
I'd make time for us
if I could change one thing
I'd make time for us

no time for us
no time for us
no time for us...
