Yeah
Yeah
Oh yeah
The middleclass
The middleclass
Save up money
But I don't have no one
No one ever
Yeah oh yeah oh
I met a girl
In a dream I had
Which I loved long time ago
I really loved her
Oh, long time ago
I really loved her
Long time ago
I really loved her
Oh yeah
Yeah
Yeah
And if she hears this song
And if she hears this song
She can tell her friends
Once I was hers
A long time ago
Once I was hers
Long time ago, once I was hers
Oh yeah
