You Split The Night
All the friends we've had
They can't come back
They're friends we've had
But some people
They never learn
Oh some people
The times they spend
It's all in vain
The times they spend
I wanna feel fame
On my hands and on my skin
And I want to dance
Oh yeah yeah yeah
But you split the night
You split the night
You split the night
You split the night
You split the night
But some people
They never learn
Oh some people
They never learn
They never learn
Oh wowow
I gotta go away
Aah ooh
Cause I wanna feel fame
Oh wow oh wow
You split the night
You split the night
And I don't know
Just how I feel
Oh I don't know
But I feel sad
Oh I feel sad
Oh wowow
One thing I know
And I feel sad
Oh wowow
Aauuuh
