I can not go where I don't belong
I can not go where I don't belong
I don't belong where I don't feel free
I can't belong where I don't feel free
I can not go where I don't belong
I can not go where I don't belong
I got no eyes on you
Oh oh oh
I got my eyes on you
Well, I'm a man and I need a maid
I'm a man and I need a maid
But I just can't
Seem to work it out right
I just can't seem
To work it out right
But I just wanna be by
Somebody's side
I just wanna be by somebody's side
I got my eyes on you
Oh oh oh oh
I got my eyes on you
I caught a disease inside
I caught a disease inside
It say's I got to be free
It say's I got to be free
That's the disease inside
That's the disease inside
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
I got my eyes on you
