Love doesn't last  
Love grows cold  
Love doesn't last  
Break my heart, I sing my song  
And love doesn't last  
Oh love doesn't last  
Ah love doesn't last  
Love doesn't last  
I don't trust love  
I don't trust love  
Love grows cold  
Break my heart, I sing my song  
And love doesn't last  
Oh love doesn't last  
Ah love doesn't last  
Love doesn't last  
I love someone, she breaks my heart  
I love someone oh  
Love grows cold, love doesn't last  
She breaks my heart, I sing my song
