Oh yeah
Oh yeah
Oh yeah
Oh yeah
I went to a dance
But I didn't get any friends
Makes me a little sad inside
But I'm Luke Skywalker
Oh yeah
Oh yeah
I fell in love with a girl
But she had a boyfriend
I tried to get her for a while
But now I can't stand her anymore
'cause I'm Luke Skywalker
Oh yes I am
I wanna be Luke Skywalker tonight
Oh yeah
Luke Skywalker tonight
Oh yeah
Oh yeah
Oh yeah
Oh yeah
I'm going to that dance
'cause I got so much time to kill
Oh wow
Oh wow
Oh wow
Oh wow
And I'm Luke Skywalker
Oh yeah tonight
Oh yeah
Oh yeah
Oh yeah
Luke Skywalker tonight
I wanna be Luke Skywalker
