Barbara Mandrell & Gary Morris

I must have been through about a million girls
Iâ'd love 'em, and Iâ'd leave 'em alone
I didn't care how much they cried, no sir
Their tears left me cold as a stone

Then I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love

Used to be when Iâ'd see a boy that I liked
Iâ'd get out my book and write down his name
Oh when the grass got a little greener on the other side
Iâ'd just tear out that page

Then I fooled around and fell in love
Ooh I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love

Free, on my own, thatâ's the way I used to be
But since I met you baby, love's got a hold on me

I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love
